

**TOWN OF BADIN ANIMAL PROTECTION AND CONTROL ORDINANCE 17-3, AN
ORDINANCE AMENDING AND RESTATING ORDINANCE 14-2 AUTHORIZING
PROTECTIVE MEASURES FOR CONFINEMENT OF DOGS**

WHEREAS, the Town Council of the Town of Badin deems it to be in the best interest of the health and safety of the citizens of Badin to have measures for confinement of dogs within the Town of Badin and the purpose of this ordinance is to ensure that all animals receive proper care and treatment and to protect citizens and visitors in the Town of Badin from annoying and potentially dangerous animals;

THEREFORE, BE IT ORDAINED by the Badin Town Council as follows:

Section 1: Circumstances requiring special preventive measures. Any officer of the Badin Police Department shall have the authority to require the owner or custodian of a dog to comply with specific preventive measures, as described in Section 2, after taking into consideration the following three (3) circumstances: This provision shall not limit the authority of the Badin Police Department to declare any animal vicious and order its removal from the town limits.

A. Nature of the particular dog. The behavior, size, temperament, breed, capacity for inflicting serious injury, the number of dogs or other such similar factors which would be relevant to a determination of whether or not additional preventive measures need to be imposed for a particular situation; and

B. Adequacy of confinement. The adequacy of the enclosure or confinement, if any; and

C. Immediate surrounding area. The likelihood that the conditions pertaining to the particular dog and the dog's confinement are detrimental to the safety or welfare of citizens or the peace and tranquility of citizens in the immediate surround area.

(1) A person who knowingly restrains a dog using a chain or wire grossly in excess of the size or weight necessary to restrain the dog safely or other type of tethering device in violation of this section is subject to legal enforcement action.

(2) No person shall tether, fasten, chain, tie, or restrain a dog, or cause restraining of a dog, to a tree, fence, post, stake, dog house, or other stationary object for more than nine (9) hours in a 24-hour period. During periods of tethering that are not unlawful under this subsection, any tethering device used shall be at least 15 feet in length and attached in such manner as to prevent strangulation or other injury to the dog and prevent entanglement with objects stationary or otherwise. Further, any device to which a dog is tethered must allow the dog otherwise unrestricted motion without entanglement to said device.

(3) No person shall tether, fasten, chain, tie, or restrain a dog, or cause restraining of a dog, to a tree, fence, post, stake, dog house, or other stationary object on the street-facing, front section, front parcel, front yard or front porch of the dog owner's property.

(4) No person shall confine a dog in such a way that causes the dog to affect or impede any public walkway, thoroughfare, gathering area, or any property not owned and controlled by the dog owner.

(5) No person shall attach a chain or wire or other tethering device to, cause such attachment to, a choke-type or pronged collar on a dog.

(6) No person shall confine a dog in a manner that does not allow the dog access to potable water and adequate shelter and shade.

(7) Notwithstanding the provisions of subsection (2) of this section, a person may, subject to the provisions of subsections (3) and (4) of this section:

(7a) Tether and restrain a dog while actively engaged in:

1. Use of the dog in shepherding or herding livestock, or

2. Use of the dog in the business of cultivating agricultural products, if the restraining is reasonably necessary for the safety of the dog, or

3. Use of the dog in lawful hunting activities if the restraint is reasonably necessary for the safety of the dog.

(7b) After taking possession of a dog that appears to be a stray dog and after having advised animal control authorities of the capture of the dog, tether and restrain the dog during such time as the person having taken possession of the dog is seeking the identity of the owner of the dog.

(7c) Walk a dog with a handheld leash.

(8) Restraining a dog in a manner prohibited by this section constitutes cruelty as defined in G.S. 19A-1(2) and violates humane care of animals as defined in Stanly County Animal Control Ordinance 82-4.

In considering whether to order a special preventive measure, an officer of the Badin Police Department is authorized to consider additional factors as aggravating circumstances that might warrant the ordering of special preventive measures:

A. Child under the age of seven. There is a child under the age of seven who lives in such close proximity, or children walk by or are otherwise in close proximity, to the property occupied by the dog; or

B. Bite. The dog has bitten a human being or domestic animals without provocation or without a trespass, and the person bitten does not ordinarily reside on the premises; or

C. Dog trained for fighting or aggressive attack. The dog is kept primarily or in part for the purpose of dog-fighting or the dog has been trained for aggressive attacks; or

D. Attitude of attack incident. A dog, without provocation or a trespass, has approached a person in an apparent attitude of attack; or

E. Reputation of a dog. The individual dog has a known propensity, reputation or tendency or disposition to attack unprovoked, to cause injury or to otherwise endanger the safety of human beings or domestic animals; or

F. Dangerous Animals. Any animal whose behavior constitutes a reasonable risk of injuring a human or animal or damaging personal property. That behavior includes, but is not limited to, an animal's biting or attacking or attempting to attack a human or another animal. However, this definition shall not apply to any animal that has been subject to provocation or if the victim has been trespassing, as defined herein, upon the animal owner's premises.

Section 2: Preventive measures. If the Police Chief determines that the circumstances require special preventive measures, then the Badin Police Department shall have the authority to require appropriate, specific preventive measures which might include, but are not limited to, the following: necessary repairs for any fence or enclosure, measures to ensure that a gate will remain closed, a "fence" or "secure dog fence" as described below or any other similar device such as electronic electric fence that would provide greater assurance for the confinement of the dog, all of which are subject to being specifically approved for their adequacy by the Badin Police Department.

A fence shall be at least a minimum of four (4) feet high and constitute a secure-enough enclosure sufficient to contain the dog at all times. The minimum size of the enclosure may be at least one hundred twenty (120) square feet. If the dog is over fifteen (15) inches at the shoulder or deemed capable of climbing a standard four-foot fence, then the Police Chief may require a six-foot fence or may require up to (160) square feet enclosure. The location of the enclosure shall be at the approval of the Police Chief.

A secure dog fence means a fence, as immediately described above, that may also be enclosed on all six (6) sides including the top. The bottom may be concrete unless the sides of the fence are buried one foot deep in a hard packed soil. Any reference to "fence" or "secure dog fence" shall be defined as stated immediately above.

The Badin Police Department shall also have the authority to require the owner to tattoo the dog at the owner's expense if that is necessary for identification, investigative or enforcement purposes. The Badin Police Department shall have the authority to require the owner to procure liability insurance in the amount of at least one hundred thousand dollars (\$100,000.00) at the owner's expense, or to have the dog tattooed or to display a sign on the premises warning of the dog on the premises.

The department shall have the authority to require the owner to show signed written statements about maintaining the liability insurance, the designated enclosure for the dogs and the duty to notify the Badin Police Department if the dog escapes, and to require the owner to give the Badin Police Department the authority to seize and impound the dog if the owner fails to comply with the provisions.

The Police Chief shall have the authority to waive any or all of these requirements if the Chief determines that a bite is inconsequential or that there is no necessity for action.

Section 3: Written order. If the Police Chief determines that specific preventive measures must be complied with by the owner of a dog, the Badin Police Department shall make reasonable efforts to notify the owner of the written order, state the reasons that preventive measures are required, identify the specific preventive measures that must be implemented and state the designated time period within which to comply with the written order. The Badin Police Department shall have the authority to exercise discretion for extensions of time if that is reasonable in view of the good-faith progress of the owner in implementing the preventive measures.

Section 4: Failure to comply with written order. It shall be unlawful for an owner to fail to comply with a written order within the designated time for compliance stated in the written order or any extension thereof. Failure to comply with the written order shall be one hundred dollars (\$100.00). The Badin Police Department shall have the authority to issue additional one hundred dollar (\$100.00) citations for a continuing failure to comply with a written order.

Section 5: Owner's challenge to the written order. The owner may submit in writing a challenge to the Badin Police Department's determination that Section 1 is applicable to the owner's premises or submit in writing a challenge to the specific preventive measures required by the division. The owner's written challenge must be received at the office of the Town Manager at 36 Falls Road, during normal working hours, five (5) days from the date of the written order, not counting the day of issuance of the written order. The Town Manager or a designee shall review the written challenge. The review of the challenge may be done on the basis of the written material and information received from the Badin Police Department regarding the order.

The person reviewing the challenge shall have the authority to make findings of fact and conclusions in respect to the written order. The decision, the written order and any findings of fact and conclusions shall be final with the only other appeal made to the general courts of North Carolina.

Section 6: Special Condition of Probation for Certain Drug-Offenders. As a special condition of probation, a defendant who is convicted of a felony offense under G.S. 90-95 and who is sentenced to community punishment, intermediate punishment or other incarceration or probation shall not possess a dog that weighs more than 14 pounds and shall not possess a dog that weighs more than 14 pounds either on the premises of his or her residence or dwelling or in a motor vehicle that the defendant is driving.

Section 7: Size limitation on dogs that a drug felon may own or have on residential premises:

A. Notwithstanding any other provision of law, it is unlawful for any person who is convicted of a felony under G.S. 90-95 to do any of the following:

- (1) Possess a dog that weighs more than 14 pounds, or
- (2) Possess a dog that weighs more than 14 pounds either on the premises of his or her residence or dwelling or in a motor vehicle that he or she is driving. The prohibition imposed by this section applies for a period of six years after the person has completed the sentence imposed on the person for the felony conviction under G.S. 90-95.

B. If a person violates this section, then the person is guilty of a Class 3 misdemeanor punishable only by a fine of two hundred fifty dollars (\$250.00) for a first offense, five hundred dollars (\$500.00) for a second offense, and one thousand dollars (\$1,000) for a third or subsequent offense.

C. In addition to any penalty imposed pursuant to subsection (B) of this section when a person is convicted of a violation of this section, the six-year prohibition imposed under subsection (A) of this section shall restart and shall run a full six years from the date of the person's conviction under this section.
